MARCIN WRZOŚ

JUNIOR FRONTEND DEVELOPER

[PORTFOLIO](#)

PROFILE

Currently, I work as a Technical Leader at Axa XL. On a daily basis I am responsible for process automation. I do not have commercial experience in IT, however I am working on project on my own. I am a person who is characterized by a 'can-do' attitude and I am always trying to overcome the issue on my own.

I am able to write responsive pages in React with Typescipt in line with the newest standards. Presently, I am focused on making projects into my personal portfolio.
